The Workshop offers a unique opportunity to learn from very eminent academicians and research scientists by sharing their experiences and best practices blended with Theoretical and Experimental Computer Science Research. It also provides you an excellent opportunity in equipping and enhancing your capabilities in the pursuit of your research programme, spanning from identification of the topic to documentation of the Thesis and related scholarly publications.

To Whom

- Postgraduate Students / Researchers
- Faculty Members
- Scientists/Technocrats

I have immense pleasure to invite you to participate in the Workshop and/or nominate teachers/postgraduate students from your organization to attend the programme.

For Registration Please Visit: <http://www.iiitmk.ac.in/WorkshopRM/>

We look forward to the nomination and participation.

Yours faithfully,

Elizabeth Sherly

Coordinator, NWRMCS-2014
